Reception Tendered Them at the Bouston Club Last Night.

THE VIEWS OF DR. REITZ ON TEXAS

Well Pleased-General Pearson Talks. ession of Visitors Most Favorable. Leave This Morning for Bay City.

no special train, having on board the of ex-officials of the Boer Republic. vare making a tour of the State, under of Passenger Traffic Man. S. P. B. Morse of the Sunset Central arrived in Houston yesterday afteror from Galveston, where they had spent attal to the city last night they were to the rooms of the Houston club pare was no speechmaking indulged in, but pembers of the party met the members the committee and every citizen of e who was present last night extendmost cordial welcome to each of the was who are making a visit to this State. the view of finding locations, so that ir fellow citizens may find sultable ges, assuring them that their presence the State is welcome, as will be the estion here of such an industrious, hardy

of people as the Boers. The Heusronians told the visitors of the contages and possibilities of Texas in poral and the const country in particular alls the visitors recounted stories of the rest conflict in the Transvani. Entertain rest conflict in the Transvaral. Entertained was thus afforded both the Boer representatives and the Houstonians. The Houstonians were take the members of the party were take the members of the party were take to the home of Coleme! S. F. R. Hors, and were entertained by him there, a sour pleasant evening was spent at the efficiency residence, and the visitors were beinted with his hospitality. The party will remain in Houston until members, when they will leave for Bay in morning, when they will leave for Bay in morning, when they will leave for Bay in morning, when they will leave for Bay in morning when they will leave for Bay in section of the cases country. The personnel of the party is as follows:

Br. F. W. Reitz, expresident of the oning Free State and secretary of state of the South African Republic, and Mrs.

the Sould Alleran etc., Washington, Inc. C. W. Van Der Hoogt, Washington, C. representative of the Hoer in Ameria dering the war.

General Samuel Pearson, quartermaster eseral of the Roer Republic.

Rev. J. A. Van Blerk of South Africa, he spent fifteen months with the Boer resours in Bermuda.

Mr. P. A. Train, editor and proprietor the Holland American, Kalamazzo, Mich., Colonel S. F. B. Morse, passenger traffic master, Southern Pacific, Houston.

Mr. John Davis Newman of New York, seeral Eastern land and immigration agent fite Southern Pacific company.

Mr. H. D. Brintuall of Saginaw, Mich., guest of Colonel Morse.

there are a great mann, are auxious to go be a country where they can ancead out, besse, my wight to Texas I am incling advantage of the opportunity affected me by the bothern Pacific to come here and see for myself what Texas is like, so that with these people make inquiries of me. I may be able to intelligently advise them post the subject. Them, for, I have elevan some for whom I wish to find desirable home.

TO RETAIN NATIONAL TRAITS. "I am not putting myself forward as a sider of emigrants," continued Dr. Reitz. and would only advise those that ask me. I do think that those who will not and do tot live in South Africa should live to other somewhere, so that they may be the to preserve, at least during the first des ind to do things in general wherever they live according to their own habits and

Tam a lawyer by profession, and am not an expert on the subject of farming, but my father having neem a farmer. I have always taken an active interest in striculum; affairs, though not a tracticularmer. As much as I have seen of Texas, it is a very rich country, so far as the soil a concerned. It is also preserved of minetia as I have been informed. The chart exists tog in the footh African republic, and other conditions are allke. The question of the balls of the people is an important one, are while the citizens of Texas saight be led in the explerance of their patriorism in lattice that the conditions here are most lead to the explerance of their patriorism in lattice that the conditions here are most leads that the citizens of their patriorism is an interest of the manual and the winder has the climate is all that is to be desired. In six believed that malarin exists in fire growing sections, but this fees not be more proving sections. But this part of the country.

PLEASED WITH TEXAS I am very well pleased with the conditions existing in this State, and am in no out with the view expressed by a gentleman at Nacogdorhes Sunday, that the Dalted States is the tinest country in the world, and that Texas is the flowt State in the Union. I have visited littles, and

points in Louisiana. I like the country and the people, and know full well that it will be suitable for the Roses.

'I would say to my sons and others who may come to me for solvice upon the subject, that this part of the country effects more and better opportunities than any other place I have seen.

'I feel quite sure that the Roses would be successful in their effects to make a living in this country and would prosper here. They have been accustomed to the growing of wheat tobacco, and the raising of sheen and cattle. These things could be conducted on a successful scale in Texas by my people, and the cultivation of rice would be carried on in a profitable manner. Our people have been accustomed to farming on a large scale, and, as a suit, have been the possessors of farms of great acreages. great acreages.

WARMLY RECEIVED.

Everywhere we have been in Texas we even enthusiasm, and we feel almost at home here. All along the line of the ralltended a most hearty welcome. They showed as their country, and seem to pos-seems a friendly feeling toward us. There-seemed to be more than a mere business greeting in their welcome, and there are a Beartiness about it which showed that they were sincere. We have been treated most royally by Mr. Morse. He is full of information concerning Texas and the const country and acts most kindly in his im-

Dr. C. W. Van Dor Hoogt, who was to the fact that the statute provides only the diplomatic representative of the Boer "legally qualified voters are eligible for war, was for some years secretary of State bureau of immigration of the War, was for some years servery of State burean of limitgration of the e of Maryland and has located a numor of coloules of Hollanders in Maryland other States. This is his first visit fexan, and so well pleased is he with conditions existing in this State that expressed himself to a Post reporter night that if, ten years ago, when first went to Maryland, he had been vised of the advantages Texas offered the coloules in Texas rather than in any ar section he knew. "My impression Texas is certainly a most favorable to silek together had their idea is to a large coloules. I am quite sure that the is room in Texas for all who want come."

CAN'T RETURN HOME. "So far as I am personally concerned,

to our people.

Ito not think that there will be superced in South Africa until that coungrees in South Africa until that coungrees in and God only knows when that it. The people of the United States to be able to appreciate the fact mose who were once tree and indecent can not live under a monarchial or government."

are making a tour of Louisians and Texas the purpose of deciding upon a suitcarrie rathers, arrived this marning on a Belleved that There Will Scon Be a special tesin of four cosches over the Southern Pacific tracks, and stopped at the union station.

The party was met at the union station by a complete station of the party was met at the union station.

The party was met at the union station to a committee composed of Messes. J. H. Miller Julius Range and W. F. Beers. The program entillined for their entertainment consisted of a sail on the hay in the restorn house steamer R. B. Hawley, a lunch, and a carriage drive on the beach and about the city.

Mesdames J. H. Miller, W. F. Beers and A. G. Mills formed a committee to see to the entertainment of Mrs. Dr. F. W. Beitz, who is the only ledy in the party. The risitors expressed themselves as highly pleasand with that portion of Texas they had so far seen.

Regarding the report that a large number of Texas entile would be shipped from Pensacola to South Africa, they were not prepared to reply, as they were without information on the subject.

TWO SMALL FIRES.

Good Work by the Department Prevents fare.

Conflagration-The fire department had two short runs last night. One was a small spontaneous combustion at 8:30 c'clock in the Western Newspaper Union building, corner Franklin and San Jectuto, which was easily extinguished by the chemical with only

slight loss.

The other was a run to Howard flats.
The other was a run to Howard flats,
on Presson, herween Miam and Travia.
The danage was slight. Engine No. 1
stuck in the mod near the corner of Louistgra and Praise to answering the alarm
and was criticaled with some difficulty
after half an hour's hard work.

FATAL FIGHT AT MART.

G. W. Boyd Dead and Mr. Huddleaton

Badly Cut. Waco, Texas, January 26.-A telephone message received here from Mart, this county, tells of a fatal duel that was fought on the streets of that city this fought on the streets of that city this afternoon. G. W. Boyd was shot to death by Mr. Haddleston and the latter is badly cut with a knife. The two men fought in front of Haddleston's place of luniness and Boyd, it is stated, used a knife free!c. Finally Huddleston managed to draw his gun and shot and klifed his autagonist. Sheriff Baker has gone to the scope of the trouble.

SWIFT VENGEANCE.

Negro Kills Sheriff and is in Turn Slain by Mob. New Orleans, January 28. The negro,

Amada Thomas, who shot and killed Sheriff Ovey of St. Charles parish, near this city, Orey of St. Charles parish, near this city, today was killed by a mob and his body was burned this afternoon. Thomas shot the shoriff while he was attempting to arrist the negro. A mob was organized to rest the negro and he was found in search for the negro and he was found in the drainage ditch of the Ashton plautation, to drainage ditch of the market They immediately opened fire on the negro and riddled his body with builets. Then placing the body in the victim's cablu mearby they set fire to the building, which was burned to the ground.

THE BOER ENVOYS IN HOUSTON THE POLL TAX QUESTION THE SHOOT AT BRENHAM Weak

Mass Meeting at Turner Hall Ad Good Scores Made in the Opening dressed by Local Speakers.

VARIOUS PROPOSITIONS ADVANCED ORLEANS HORSES ARE CHANGING HANDS

Discussion Pro and Con Upon the Favorable and Unfavorable Phases of the Amendment to State Constitution.

The citizens' mass meeting called by the Houston Labor council met in Turner hall South handicap was formally inaugurated last night to discuss the poil tax amenal. Monday morning, with only a small atout was well attended. The weather interfered; however, the hall was about putting in an appearance, most of those hair filled and the speeches were listened to with interest.

order and stated the purpose of the call lowe: issued by the Labor council in its resolu-

inid down the proposition that to pay taxes and to vote and to serve on juries were the difference between freemen and slaves. Mr. Harris put forth another phase of the poll tax proposition. He called attention | Lockets legally qualified voters are eligible for jury service." The question was, therefore, raised, "If the payment of a poll tax ing a voter, is not the fatture to pay the poll tax a bar to jury service under the statutory provision? If it is, then will not many business men avoid the payment of poil tax in order to evade jury duty?"

Farmer Dean, did not feel that the payment of taxes was so great a privilegethe audience was with the speaker on talls.
"If I had my way," announced Mr.
Dean, "I would fine every citizen who
failed to vote, and if the citizen persisted
in failure. I would disfranchise such negligent citizen."

He advised his become to now the real

in failure. I would disfranchise such nest ligent citizen."

He advised his hearers to pay the pell fax, to organize and to watch the other fellow. In the course of his remarks, Mr. Dean stated that he has paid out something like \$10,000 for poil tax receipts in a congressional election in Pennsylvania in which he was interested.

The chairman announced Dr. Urwitz as the next speaker. Some enthusiastic spirits in the audience called for Morrison. The chairman insisted upon the program being cavired out as arranged. Mr. Morrison took the platform and stated that he would not address the meeting until called upon by the chairman. Dr. Urwitz then delivered his address.

the platform and stated that he would not address the meeting until called upon by the chinroan. Dr. Urwitz them delivered his address.

The doctor advised the working men to pay the poli tax and save their suffrage wrivinge. He said that he had been reared and educated unfer a foreign government and that he had become an American diverse him educated unfer a foreign government and that he had become an American diverse him educated unfer a foreign government and that he had become an American diverse him educated unfer a foreign government and that he had become an American diverse him to American citizen. date. The meeting adjourned quietly. The The party of Boer representatives who propositions advanced during the evening.

THE ACRE DISPUTE.

London, January 26. The Brazilian legs tion in London announces that the Bolivian minister at Rio Janeiro has officially inminister at Rio Janeiro has officially in-formed the Brazilian foreign office that President Pando has given him full power to enter into a formal agreement with Brazil regarding the Acre dispute. Peno-log these negotiations, which are expected to lead to a peaceful solution of the dis-pute, the Brazilian government has ordered a paval and military mobilization.

CALLED ON SECRETARY HAT. Washington, January 26. The Brazilian minister and the Bolivian charge called sepnrately on Secretary Hay today to acquaint bin with the position of their respective governments in the dispute over the possession of the territory of Acre. It appears that the situation was really critical, but both diplomats assured Secretary Hay that, under no conditions, would American interests in Acre suffer beyond the happenings absolutely incident to warfare.

SECOND CONTINGENT DEPARTED. In Par, January 28. The second contingent of the Bolivian expedition to Acre left La Paz this morning under the command of President Paudo. It will join the first contingent at Rurena Baque, on the Boulriver.

Grimes County Company Osganized. Navasots, Texas, January 26. The incorporators of the Grimes County Oil and the Line company held a meeting in the Pipe Line company held a meeting in the parfors of the Bristol hotel at Houston on Tuesday has and elected the following of I. W. McMacham, Van Vieck, president; I. W. McMacham, Navasuts, vice president; I. W. McMacham, Navasuts, vice president; resident manager and treasurer; D. M. Böyle, Navnärta, secretary, superintendent of lease and right of way departments. The executive committee of the company will meet in the company's principal office in Navascat hits week, after which there is promised some interesting disclosures regarding the Grimes county field.

NEW YORK—Among the suggestions being considered in connection with the Beecher memorials is one to place in Plymouth church, Brookira, a series of eighteen stained glass windows to typify the struggle for religious and political liberty and commemorate great leaders in the movement.
